Meeting Minutes

In attendance: Archer Bunner, Aaron Nell, Erica Pearson, Miriam Bunner, Sherrema Bower, Buck Bunner, Mike Fallahay, James (J.T.) Taylor, Trevor Bunner, Joe Henry

This year's Gathering was a time of celebration for AVP Indiana's successful hosting of the 2018 AVP USA Annual Gathering at Earlham College in May.

We spent time team building and visioning, shared lunch, enjoyed light and livelies, good conversation, deep listening to each other and needs for moving forward.

Action items included:

- The 2017-18 budget was presented by Miriam Bunner and unanimously approved by all gathered. Note was made of the extra funds used to make a significant purchase of manuals before the price increase.
- The four Core Organizing Group Co-Coordinator, Archer Bunner, Miriam Bunner, Erica Pearson and Aaron Nell were unanimously approved to continue serving for the next year (2018-19).
- Miriam Bunner and Archer Bunner were unanimously approved to continue in their role as Co-treasurers for 2018-19 with thanks and appreciation by the group.

No policy or Bylaws changes were made this year. Plans for an AVP Indianapolis group were discussed now that there are a number of facilitators in the Indianapolis area. J.T. Taylor mentioned that he reached out to our returned citizen facilitators to include them and suggested looking into the actor Forrest Whitaker's Peace Foundation which funds efforts such as AVP.

Meeting adjourned until summer of 2019.
